# Envirolume bare linkable batten

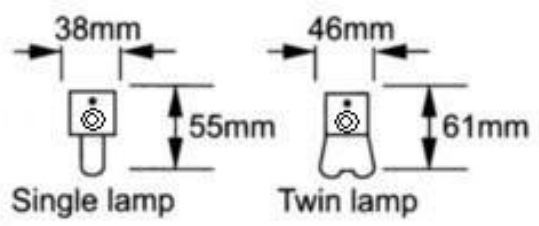

## Features:

- Superslim profile.
- Aluminium body available in white powdercoat (WH) or anodised satin silver (SS).
- Complete with T5 energy efficient fluorescent lamps.
- Male and female connectors allow plug-in installation.
- Cable lengths: male 430mm – female 180mm.
- Complies with EMC framework
- Complies with Australian electrical standards.

## Applications:

- Surface mount.
- General lighting for factories, storage and work areas.
- Suitable for commercial and residential use.
- Illuminated signs.
- Suitable for areas where direct wiring is unavailable.
